Hello everyone, results for the Regional stage of the Short Range Championship. Congratulations to those of you noted above as your Regions Champion; where a region has more than one entry, you will see that the runner up has been marked as 'qualified', runners up are also invited to attend the finals to shoot the individual final.  
The finals range does not have enough electronic targets, so all shooting will be on card targets

Enclosed with these results will be a booking form for those of you who intend to come to Leicestershire for the finals event, can I request that returns are sent by 20th Feb - sorry for the short notice but we had hoped for a later deadline from the hotel and these events invariably overrun the final shoot by date!

Phil Smith
