Notes:

Above are the final results for the Regional stage of the Police Sport UK Long Range Championships. Very few entries, no doubt due to Covid and limited range access, but even fewer scores returned. The seven (7) shooters listed above are Regional Champions and are invited to the final to decide the overall Champion.

The final will be held on the Tuesday of the National Championships at the Lord Roberts Range, Bisley - the plan is to commence match firing around 14:30 hrs so hoping to "unbox" at 14:00 on Tuesday 14th September
