Notes:

Due to the low number of entries the first qualifying stage became the final qualifying stage by default. The REGIONAL Champions are noted above - congratulations to you all.

I have allowed one extension to the end of this week due to a very late entry and then an illness

The Champions Final will be shot at Bisley on 13th September - Regional Champions will shoot for the Champion of Champions trophy, **The Robin Brewell Silver Salver**

Everyone else will be eligible to shoot for the chance to contest an ISSF style final for the Fred Jennings Memorial Trophy

"Unbox" will be 14.00, "sighting and preparation" at 14.15 and match firing will commence at 14.30

See you there!
