Notes:

Possibly due to the cancellation of 2012's Police championships at Bisley, very few cards have been completed in the second stage, despite continued extensions. Of those that *were* returned only 1 set scored in the "90's"

Well done Eric Brown (L&B) 591.

Two regions only had a single entry (South East & Wales). In that case, with no Finals, there was no need for the shooters to complete their 2nd stage cards, each competitor being their regions Champion by default.

There were no Stage 2 cards received from 2 regions (West Mids & Metpol), for the purpose of their Regional Championships therefore, the top scores from Stage 1 have been used to determine the Regional Championships
