Notes:

Top three scores from each region PLUS all scores of 575 and above qualify to stage two.

The lack of entries is disappointing to see, but probably indicative of the way shooting in general is heading nowadays. Although it's not MY place to advise how you run your sections, Secretary's really ought to be 'marketing' your shooting sections to bring 'fresh blood' in, otherwise Police Sport UK shooting will disappear for good! I don't have all the answers but my force has tripled its membership in the last few years. Ask and I'll tell you how!
