Another year and still a few shooters missing that should be shooting (Especially the Police Squad) and about 41% (17 people) of the total entered are 'no cards received' – Is it that the cards were so bad or that the shooter didn't bother? I have decided not to save on ink this year and to name those who have not returned cards in the hope of shaming them when the Captains reclaim the money paid out by the various sports clubs.

The last day for shooting the 2nd round is **22 August 2005** and the scores to be with me by **28 August 2005** – Late returns will not be accepted and there can be no extensions given due to my work and holiday commitments.

The Final this year will be shot on Tuesday of the PSUK Week. It will be a shoulder to shoulder shoot with (hopefully) an Olympic Final for the Jennings Trophy (Top Ten) Only.

Please give a contact Phone Number so that I can give everybody that's shooting a call to inform them. I will have the results at the meeting or to your addresses if there's an SAE or Email address supplied.

Good Shooting,
