Again, a disappointing Championship, with several of the top shooters (and others) not entering the competition (although it does appear the best were in) and by looking at some of the scores, a couple of the PAA squad getting a second chance due to being the 3rd person. For persons wishing to shoot in the squad, I am looking for averages of 585 and above

Qualifiers are those above the line (Bold) - where there is no line in some of the regions all have qualified.

Congratulations to Rod West with 589, hopefully this will be beaten in the next stage, with a couple of good scores in the 590's

Some have not returned their cards and I have named them, so that captains know who they are to claim back the club money!!!

Next round to be shot by **Wednesday 23 August 2000** and scores with me by
Monday 28 August 2000

Please give a contact Phone Number so that I can give everybody that's shooting a call to inform them.
I will have the results at the meeting or to your address if there's an SAE

Good shooting
K Brookes
